

Catt met Alec on holiday, three weeks ago. One thing led to another!

He'll come by her place for the first time this evening. He happened to be in town for the weekend.

Catt can't wait. Thinking back on her vacation made her pussy tingle. How long would he be, she asked herself softly caressing her breast.

The night they met, Catt was watching the night sky. A gentle breeze cooled her skin.

She startled when he said 'Hi'. She turned around, and immediately knew she wanted him. As if reading her mind, he stepped towards her. And, with a sexy smile, he kissed her. On the lips!

Catt's knees turned to jello, but Alec was holding her now. Pressing her against him. She could feel his erection growing.

Gently, he pushed her down. He never stopped kissing her.

When finally he did stop, he flashed her another great smile. 'Hi, I'm Alec'.

'I'm Catt,' she blushed.

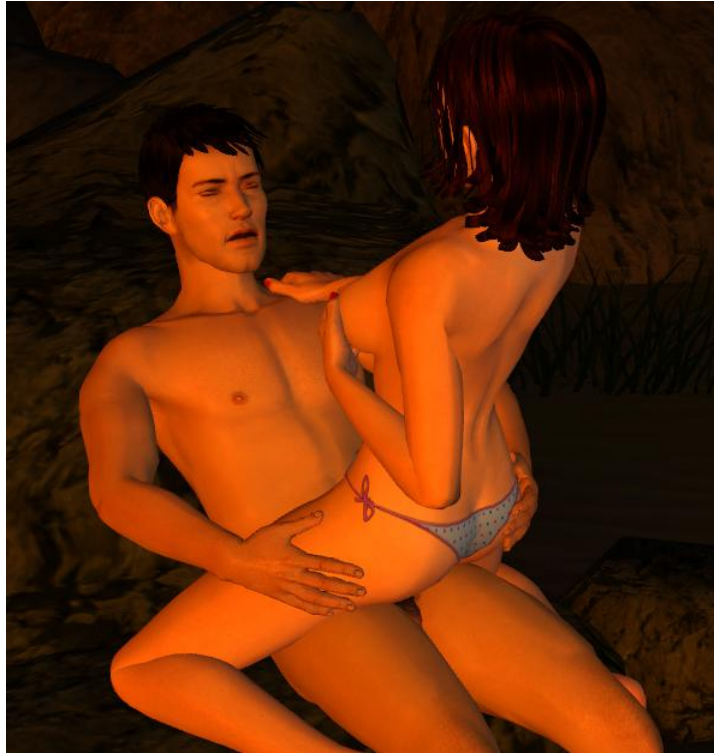

'You're beautiful,' he said trailing his hand softly along her leg and breast.

'And you're driving me crazy!' Before she knew it, she dropped his swim trunk and lost her bikini top.

Alec was a great kisser, and Catt just melted away in his arms. Before she knew it, he slid her bikini bottom aside and his hard cock in. With a gasp she received him, squirming on his lap.

“Oh yeah,” was about all Alec could say feeling Catt’s pussy squishing around his member.

Catt was really getting into this. "You're nice and big, Alec," she said riding him.

"You're not so bad yourself," he answered with a lazy grin. "Let's try something else...". Alec lead Catt towards the edge of the sea. "Enjoy the view." He kneeled down behind her and entered her again.

"Ohmygod, that's so great," Catt purred.

A cool breeze against her face, a hard cock banging her pussy, what else could a girl ask for. His thrusts sent shivers through her entire body. Like the rolling waves, he crashed onto her beach. Catt surprised herself by moving away from him. Her body was burning for his touch. Alec lifted his eyebrows. Pushing him on his back, Catt said: "Why don't you enjoy the view for a while." She straddled him and with a lazy moan pushed herself onto his cock.

"Yeah, much better," Alec grinned.

Catt's pussy was tingling like crazy. "I feel so full..." she panted. Looking down at this handsome, sexy, horny guy she saw she was still wearing her bikini bottom. "Oh, am I still wearing this old thing," she said untying the knots.

“Oh yeah, much better...” Alec couldn’t believe his luck. He’d watched Catt arriving at the hotel. She didn’t visit the bar much, so Alec didn’t have much of a chance to talk to her. That one time they were there together, he finally walked up to her. But her phone rang and she got drawn into a conversation that lasted about half an hour.

So when he saw her making an evening stroll on the beach, he decided to follow her. To his own surprise he just kissed her... And now this lovely goddess of the sea was riding his cock. Her breasts bouncing, her eyes dreamy. He never wanted this to stop.

He rolled her over. She mmm-d as he entered her again. Moving in and out with quick thrusts. Her smile said everything.

Feeling the tension in her body, he knew she wouldn't last very long. "I want to taste your orgasm," he whispered in her ear. Her eyes lit with anticipation. Quickly turning around, his tongue felt her pussy lips. She shuddered and tasted like oysters.

Catt felt Alec's tongue along her pussy, circling her clit. As if she wasn't wet enough. No guy had ever offered to lick her himself. She always had to ask. And with varying degrees of enthusiasm her lovers had obliged her. But this guy! He really knew what he was doing. His tongue drove her to the edge and over. He pussy shivered, her body tingled. All she could feel now was her pussy. But Alec kept going. Instead of slowly fading away, her orgasm was rekindled to the next peak. Her breaths were short. "Oh, oh, oh..!" was all she could say in a very high voice. She felt as if her body was floating. And still he kept licking her pussy in a delicious way, softly, gently, firmly. Twice she reached a new height, until she collapsed from desire. Her body warm and tingly, his embrace warm and gentle.

"Ohmygod," she said regaining her breath, "what have you done to me?" Alec just smiled a proud and gentle smile. She immediately saw that his prick was still at full attention.

"Why don't you let me take care of that," she said kneeling in front of him with a wicked smile. Alec couldn't say anything when her lips pursed around his cock.

He felt her warm mouth and soft tongue and closed his eyes, never wanting this feeling to end. Sucking and licking, licking and sucking, Catt drove him to new heights.

“Ugh, ugh, uh...”

Catt knew he was about to explode. She popped him out of her mouth and stroked his cock. She wanted him to cum all over her. She wanted to be covered in his sticky sperm. And so he did... Jet after jet spilled onto her. The warmth of his cum made her horny all over again. So, frigging herself to another orgasm, she squeezed his cock to the last drop.

"Wow," he said.

"Wow," she said.

They quickly hurried into the sea to get cleaned.

And this was only their first night together.
